Caution:

While The Doctor's NightGuard may be similar in appearance to athletic mouthguards, it is not to be used for that purpose. If you wear braces, dentures or other dental appliances, talk to your dentist before using this product.

The Doctor's NightGuard is not recommended for people who experience "clicking" of the jaw and/or have been diagnosed with TMJ problems. This is not to be used by children under 12 years of age.

This product is not to be used to diagnose, cure, mitigate, treat or prevent disease or other medical condition, or to affect the structure or function of the body.

THE DOCTOR'S[®]

Night Guard

Dental Protector
for Night Time Teeth Grinding

Custom Fit in Minutes

The Doctor's NightGuard is similar to the dental protector recommended by many dentists - *only you do the fitting yourself in about five minutes.*

Complete fitting instructions are inside the package and there is a toll-free number to call for extra help.

Size Guidelines

Mouth size and body type don't always correspond but as a general rule, choose the size based on the closest description of your height.

	Small	Medium	Large
Men	Under 5' 6" Tall	5' 6" - 5' 8"	5' 8" +
Women	Under 5' 4" Tall	5' 4" - 5' 7"	5' 7" +

The fitting process will allow for the necessary fine tuning.
